Norwood 2.0 Dual Motor Leather Lift Recliner

The Montaine Norwood 2.0 is a dual motor chair, allowing the flexibility of having your legs raised, without reclining your back. You'll appreciate the infinite positions for the back and footrest.

The Norwood 2.0 lift recliner offers comfort and support, enabling you to relax in luxury at home.

Presented in 'genuine full-depth cowhide' the Norwood 2.0 is built to a high standard with quality materials.

Convenient corded hand control offers smooth operation through the full range of movement.
